Nga Haum sa Kinaiyahan ug Kauswagan)*

Womenkraft Fairtrade and KATAKUS, Inc.

The kababayenan Alang sa Teknolohiya nga Haum sa Kinaiyahan ug Kauswagan (Empowering Women Through Appropriate Technology in harmony with the Environment) or KATAKUS was established in 1996 as an offshot of the Women Development and Technology Institute(WDTI) Program in Davao, to address the poor socio-economic conditions of women in Barangay Katipunan, Panabo City,

VISION

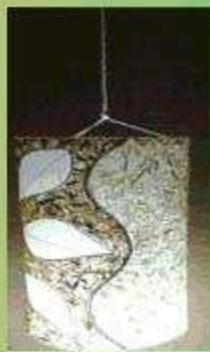

KATAKUS envisions a society where women and men decide and act collectively in building empowered communities and in working for the sustainability fo the environment admist the pressure of the globalized economy.

MISSION

KATAKUS is non-profit organization that promotes the practice of sustainable agriculture with gender perspective among subsistence farming communities in Region XI for the improvement of their food security and livelihood and the enhancement of the environment.

GOAL

- > *To enhance food security through conversion from monoculture to diversified and integrated farming system.*
- > *To conserve and sustainable use indigenou resources through the development and innovative use of appropriate technologies*
- > *To increase household incomethrough collective and individual on-farm and off-farm enterprises.*
- > *To facilitate marketing of community products.*
- > *To build and strengthen women's leadership and their community organizations*
- > *To forge partnerships with and acess resources from government and non-government organization.*
